The Five Signature Looks We Expect To See In The Spice Girls Musical 'Viva Forever!'

News broke yesterday that there will be a stage musical based on the career of the [Spice Girls](#). Titled "Viva Forever!" the [show will debut](#) at London's Piccadilly Theatre in December.

Besides the group's memorable hits, which include such classics as "Wannabe" and "Say You'll Be There," the English girl group was also known for the funky ensembles they rocked onstage. It's a pure fashion blast from the past!

Check out the five key looks we expect to see in "Viva Forever!" below:

>> Ginger Spice got her groove on in bright-colored mini dresses, but is remembered most for her trademark platforms boots, Union Jack dress and, of course, her ginger-colored hair.

>> Baby Spice rocked blonde pigtails, wore light and airy baby doll dresses, white platform shoes and sometimes accessorized with a giant lollipop. Oh, and a monogrammed necklace with the word "Baby" on it. How fitting.

>> Not much has changed for Posh Spice since the 1990s – Victoria Beckham can still rock a little black dress, black stilettos and dark makeup better than just about anyone we know.

>> Sporty Spice had the most comfortable outfits of them all. She got her jam on wearing a sports bra, athletic pants, tennis shoes and the high ponytail.

>> Scary Spice decked herself out in over-the-top jumpsuits, often with animal print, but she also mixed it up by wearing midribs and cargo pants with a gold arm band. Luckily for us, all of her outfits were paired with her enormous curly brown hair and platforms.
